Key Benefits

Maximize ROI

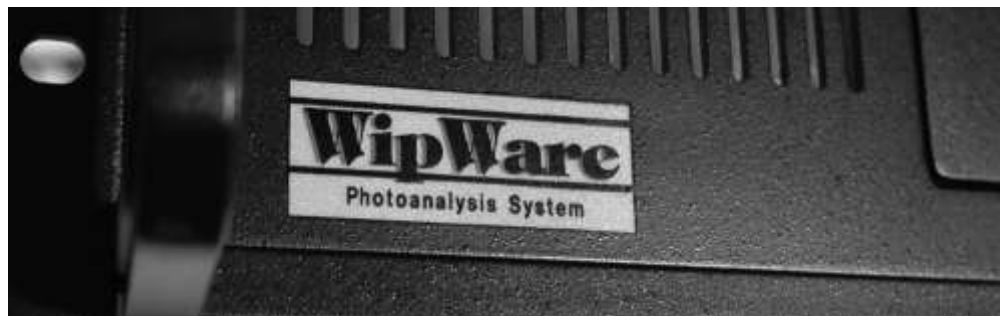

WipWare Service Plans enable you to optimize your technology investments by providing offerings that minimize downtime and maximize your return on investment.

Data Safeguard

WipWare Service Plans give you peace of mind that your system is online, up to date and collecting relevant data that you need.

Fast Resolution

WipWare Service Plans help maximize system uptime through preventative maintenance, rapid response and direct contact to WipWare Technical Services.

Because you can't manage what you can't measure!

*WipWare product software upgrade only; Additional hardware or software (if required) is extra.
**Based on one WipWare Technician on-site for one work day (8 hours); Some conditions may apply.
