

WipFrag

TRAINING SEMINAR 2011

Join us from September 20 – 22 for WipWare's second annual training seminar! This seminar is geared towards metallurgists, technicians and engineers interested in improving plant efficiencies

Topic: Advanced Mine and Mill Optimization Techniques

Where: This seminar will be hosted at the scenic Canadian Ecology Centre located near North Bay, Ontario, Canada

What: Aside from an in-depth look at particle sizing theories, attendees will be exposed to the autumn colours through various nature-based activities. Also included is a scenic cruise aboard the Chief Commanda II*

Cost: The cost per attendee is \$1,000 CAD. This cost covers one cabin with electricity and individual showers per attendee while at the seminar, all meals and snacks, all lectures and the boat cruise

Images from last year's course

*Scenic cruise – weather permitting
